Fast, reliable payment supports new business opportunities

To thrive in a competitive market, small to medium sized carriers must manage cash flow to meet expenses and raise capital to grow their businesses. RapidClear provides guaranteed, accelerated payment schedules to simplify financial planning and allow carriers the freedom to pursue business opportunities.

For carriers who don't wish to wait the industry standard of 45 days to receive their net payment, RapidClear delivers faster access to accounts receivables, streamlined business operations and lower administrative costs.

Remove Cash Flow Hurdles

RapidClear enables Arbinet's high volume net-selling Members to collect receivable payments in as little as one or two business days, eliminating the need to rely on a credit line or dip into existing capital to increase cash flow. With improved cash flow, RapidClear makes it easy to manage expenses and re-invest funds to pursue business development opportunities.

Simplify Financial Planning

RapidClear's consistent payment schedule simplifies financial planning and helps reduce receivables processing costs. Arbinet uses a reliable, secure electronic funds transfer service to minimize the risk of delayed or lost payments.

Key Benefits

- Accelerate payment with four settlement options
- Count on a dependable, guaranteed payment
- Meet Friday accounts payable obligations with a same-day weekly payout option
- Free cash flow to meet expenses, or to pursue investment and business development opportunities
- Eliminate the need to rely on a line of credit or dip into existing capital
- Simplify financial planning and lower administrative costs

Flexible settlement plans to meet the range of business needs

Four Accelerated Settlement Options

RapidClear is the only service of its kind to offer multiple settlement options for accelerated payment. Four different payment schedules provide choices to meet the full range of financial and administrative needs.

Services fees for RapidClear are based on the dollar value of minutes sold on the exchange during the trading period, with the fee percentage corresponding to the settlement option chosen. In addition, Members are responsible for all electronic transfer charges. Terms of 3 Net 1 may carry a minimum trading requirement. Please contact an Account Development Representative for full details.
